

# PUMP PARTS FOR INDUSTRY

*Replacement Parts for Centrifugal Pumps.*

Quality Pump Parts is an independent manufacturer of replacement pump parts for centrifugal pumps. We manufacture pump parts for ANSI, API, Boiler Feed, Wastewater Treatment, Pulp and Paper, and Process Pumps.

### **The Kind of Parts We Make**

The standard wear items: Shafts, Sleeves, Rings, Impellers, Casings, and Stuffing Box Covers. The other parts: Glands, Bearing Housings, Frames, Frame Adapters, Frame Feet, and Casing Feet. We manufacture or can supply every component necessary to manufacture the entire pump.

### **The O.E.M. Manufacturers That We Replicate**

ITT Goulds Pumps which includes Allis Chalmers, ITT A-C, Goulds, Marlow, and Morris brands of pumps.

Flowserve which includes Byron Jackson, BWIP, Cameron, Dresser Pacific, Dresser Worthington, Duriron, Durco, IDP, Ingersoll Rand, Pacific, United Centrifugal Western Land Roller, and Worthington brands of pumps.

Sulzer which includes Bingham Willamette, Sulzer Bingham, and Sulzer brands of pumps. In addition to the major manufacturers, we also supply parts for Aurora, Dean Brothers, David Browne Union, Fairbanks Morse and Peerless brands of pumps.

### **Special Services**

Quality Pump Parts reverse engineers parts from customers' samples. When the Original Equipment Manufacturer no longer supports a pump, we will custom manufacture your part.

### **Our Commitment**

Quality Pump Parts is committed to providing the best quality product, for the most competitive price without sacrificing quality. Our thirty one year experience in manufacturing Replacement Pump Parts guarantees our customers a reliable replication of their part.
